Dear Brother Henry Nubukpo, Dear Brother Aristide de Souza

Communication problems didn't allow us to organize a visit to the Great Priory of Togo for this Installation of the new Grand Master. We are very sorry for that, but be sure that even if not physically, the Great Priory of Brazil will attend the Ceremonies in spirit and thoughts.

We want to congratulate Bro Henry Nubukpo for the solid and fraternal work made during his term, and wish to Bro Aristide de Souza healthy strength and profound wisdom to continue this work for the years coming.

We hug you and all Brethren of Togo, fraternally in Our Lord Jesus Christ,

**Sergio Grosso
Grand Prior-Nacional Grand Master**
